### Books Descriptions

The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his recent experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February of this year, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. This autumn Kevin will reveal all in his

autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his recent experiences as one of the leading lights in the world of international cricket, this will be an autobiography that entertains and fascinates
