Books Descriptions

Peter Sagan, at just 28 years of age, is already one of cycling's greatest riders of all time. With four Tour de France points jersey victories, three road race world championships, the 2018 Paris-Roubaix, and multiple spring classics among Sagan's palmares, the world of cycling agrees that this intense yet fun-loving rider is among the most dominant and fun-to-watch riders of his generation. In *My World*, for the very first time, bike racing fans will have the opportunity to glimpse behind the scenes of Sagan's cycling life, revealing the full extent of his dedication to competition and determination to win. They will read about his relationship

with fellow riders, his heroes and how he copes with the expectation of success. He will share technical details about his preparation, dissect the art of the sprint and analyze the tactics that play out during a fiercely competitive stage or race.
