Books Descriptions

"I want you to do something with the place. Something epic." Emi has been entrusted with her brother's Los Angeles apartment for the summer as a graduation gift, but she isn't sure how to fulfil his one condition: that something great take place there while he's gone. She may be a talented young production designer, already beginning to thrive in the competitive film industry, but she still feels like an average teen, floundering when it comes to romance. But when Emi and her friend Charlotte discover a mysterious letter at the estate sale of a Hollywood film legend, Emi finds herself chasing down the loose ends of the movie icon's hidden life. The search leads her to uncover a decades-old secret and the potential for something truly epic: love.
