

The book cover features a woman with long, dark, wavy hair, seen from the back, wearing a green, strapless, sequined dress. She is looking towards a muscular, blue-skinned man who is leaning in to kiss her cheek. The background is a dark, lush jungle with a bright, glowing light source in the upper left corner, possibly a fire or a sunset. The overall mood is romantic and exotic.

## Books Descriptions

A lush, tropical island on an icy planet makes no sense. Then again, not much makes sense anymore after waking up and finding myself not in bed but on a strange world populated by aliens. Since that moment, I've learned that nothing is normal anymore and I've got to roll with the punches. I can handle this, though. I'm strong and capable. So? washed up on a tropical island? Got it handled. Separated from the others in my group? Handled. Stranded alone with a brutal but delicious alien man that can't speak English but has great? ahem? body language? Yup, handled. Add in the fact that my cootie ? a symbiont I need to survive ? has chosen my

big, hulking alien friend as my fated mate? Let's just say that the situation isn't the only thing that's going to be handled. But it isn't long before I learn that the tropical island paradise is a death trap and we're all in grave danger, aliens and humans alike. To survive this, I'll need my tempting guy to give me a hand with the situation? good
