### Books Descriptions

Featuring a new epilogue read by the author. From the author of the best-selling biographies of Benjamin Franklin and Albert Einstein, this is the exclusive biography of Steve Jobs. Based on more than 40 interviews with Jobs conducted over two years - as well as interviews with more than a hundred family members, friends, adversaries, competitors, and colleagues - Walter Isaacson has written a riveting story of the roller-coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing. At a time when

America is seeking ways to sustain its innovative edge, and when societies around the world are trying to build digital-age economies, Jobs stands as the ultimate icon of inventiveness and applied imagination. He knew that the best way to create value in the 21st century was to connect creativity with
