Books Descriptions

Dark Horse presents new editions of the entire Hellboy line with new covers, beginning with *Seed of Destruction*, the basis of director Guillermo del Toro's blockbuster films. Hellboy is one of the most celebrated comics series in recent years. The ultimate artists' artist and a great storyteller whose work is in turns haunting, hilarious, and spellbinding. Mike Mignola has won numerous awards in the comics industry and beyond. When strangeness threatens to engulf the world, a strange man will come to save it. Sent to investigate a mystery with supernatural overtones, Hellboy discovers the secrets of his own origins, and his link to the Nazi occultists who promised Hitler a final solution in the form of a

demonic avatar." ... Hellboy is a brilliant example of how to elevate the comic of the future to a higher literary level while achieving a higher pitch of excitement." --Robert Bloch, from his introduction
