

The cover art features a vibrant green dragon with large, translucent wings that have intricate, swirling patterns. The dragon is shown in a dynamic, flying pose, with its mouth open as if breathing fire. The background is a bright blue sky with soft, white clouds and a small, distant dragon. Below the dragon, the landscape is a rugged, blue-toned terrain with rocky peaks and a sense of depth. The overall color palette is dominated by blues and greens, creating a fresh and energetic atmosphere.

Books Descriptions

For every villain, there is a hero ... Turtle isn't one of the heroes he reads about in stories. If he were, he'd use his animus powers to help Pyrrhia -- instead of keeping his abilities a secret, even from his own sister. Now that Darkstalker, the sinister and impossibly old dragon from Pyrrhia's most notorious legends, has returned, Turtle knows his own role is simple: hide. And stay hidden. The more he watches Darkstalker from the shadows, the more Turtle knows that someone needs to stop the powerful dragon. A real hero. But Turtle is running out of time to find one, which means ... he might have to try to save the day himself.
