### Books Descriptions

Bob Lazar is the reason Area 51 became infamous in the 1980s and his recent appearance on Joe Rogan's podcast with 7 million listeners is credited with inspiring the Storm Area 51 phenomenon. In his DREAMLAND autobiography, Lazar reveals every detail of his highly controversial story about being an insider within the world's most legendary military research base. Bob Lazar was a brilliant young physicist that found himself employed at a top secret facility in the middle of the desert outside Las Vegas. Under the watchful eye of the government elite, he is tasked with understanding an exotic propulsion system being used by an advanced aerospace vehicle he is told came from outer space. The stressful work and long, odd hours start

to wear on Bob and he becomes concerned for his safety. He tells his wife and a couple close friends about what he's doing in the desert, and his employers find out and are furious. When they station goons outside his house, Bob seeks help from wealthy
