

A romantic couple is shown in profile, kissing. The man is on the left, and the woman is on the right, with her hand gently cupping his face. The background is a soft, out-of-focus night sky filled with stars and a few colorful bokeh lights in shades of purple, blue, and pink. The overall mood is intimate and dreamy.

The #1 New York Times bestselling author of *It Ends with Us* delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham's perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a

lifetime between two imperfect people?
