### Books Descriptions

Groundbreaking Golden Age classic stories--which cemented Batman's place as the medium's most popular hero--are gathered for the first time in this singular, expansive hardcover collection with a foreword by comics historian Michael Eury. As World War II comes to an end, Batman and Robin continue to fight crime on the streets of Gotham City and beyond. In these thrilling adventures, the Dynamic Duo battle old foes like the Penguin, the Cavalier and the Joker, while also meeting such classic characters as the Three Musketeers, Professor Moriarty and Santa Claus. All this, plus Alfred starts an amateur detective agency and Catwoman debuts an all-new costume. **BATMAN: THE GOLDEN AGE OMNIBUS VOLUME FOUR** collects all of the

Dark Knight Detective's tales from DETECTIVE COMICS #93-112, BATMAN #26-35 and  
WORLD'S FINEST COMICS #15-22.
