Books Descriptions

The captivating and heart-pounding third book in the instant New York Times bestselling Nevermoor series, as heroine Morrigan battles a new evil. Morrigan Crow and her friends have survived their first year as proud scholars of the elite Wondrous Society, helped bring down the nefarious Ghastly Market, and proven themselves loyal to Unit 919. Now Morrigan faces a new, exciting challenge: to master the mysterious Wretched Arts, and control the power that threatens to consume her. But a strange and frightening illness has taken hold of Nevermoor, turning infected Wunimals into mindless, vicious Unnimals on the hunt. As victims of the Hollowpox multiply, panic spreads. And with the city she loves in a state of fear, Morrigan

quickly realizes it's up to her to find a cure for the Hollowpox, even if it will put her - and everyone in Nevermoor - in more danger than she ever imagined.
