Books Descriptions

All-girl camp. First love. First heartbreak. At once romantic and devastating, brutally honest and full of humor, this graphic-novel memoir is a debut of the rarest sort. Maggie Thrash has spent basically every summer of her fifteen-year-old life at the one-hundred-year-old Camp Bellflower for Girls, set deep in the heart of Appalachia. She's from Atlanta, she's never kissed a guy, she's into Backstreet Boys in a really deep way, and her long summer days are full of a pleasant, peaceful nothing . . . until one confounding moment. A split-second of innocent physical contact pulls Maggie into a gut-twisting love for an older, wiser, and most surprising of all (at least to Maggie), female counselor named

Erin. But Camp Bellflower is an impossible place for a girl to fall in love with another girl, and Maggie s savant-like proficiency at the camp s rifle range is the only thing keeping her heart from exploding. When it seems as if Erin maybe feels the same way about Maggie, it s too much
