## Books Descriptions

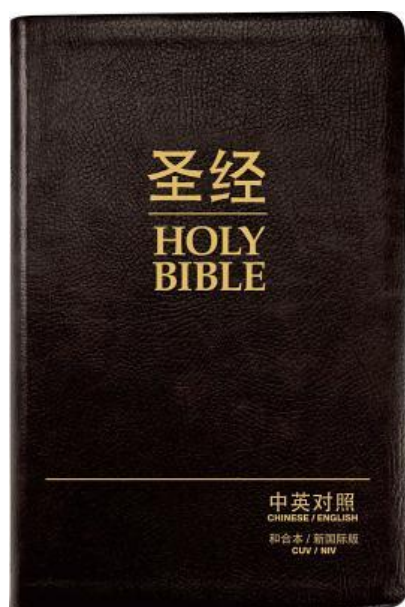

This parallel bilingual Bible presents a side-by-side treatment of the two best-selling translations in the world, the Chinese Union Version (CUV) and the English New International Version (NIV). The NIV is the world's most widely read and trusted contemporary English translation of the Bible. It is easy to understand and uncompromisingly faithful to the original text. The CUV, since its release in 1919, has been the most popular translation in the Chinese world.

Its concise language not only reflects certain classical Chinese style, but also marked a new epoch of modern Chinese at the beginning of the last century.
