Books Descriptions

It's been nearly three years since I walked away from Rhett Blackwood and moved across the country. I'm happy. I've started over in a new city with a career I'm passionate about. Then why, when Rhett unexpectedly shows up, does just the sight of him leave me reeling? A walking, talking, still-hurts-to-breathe-around-him heartbreak from my past. I didn't expect him to march back into my life after all this time. I have no idea why now. And even though I'll fight to resist his charm, falling for a Blackwood was never a choice. The Only One is Book 2 of the Blackwood Series and the second book of The Only One Duet.
