### Books Descriptions

The hilarious and heartbreaking confessions of a figure skater turned collegiate hockey player who's terrified of checking . . . and is desperately in love with the captain of his hockey team. Eric Bittle is a former Georgia junior figure skating champion, vlogger extraordinaire, and amateur p?tissier. But as accomplished as he is, nothing could prepare him for his freshman year of playing hockey at the prestigious Samwell University in Samwell, Massachusetts. It's nothing like co-ed club hockey back in the South! For one? There?s checking. Second, there is Jack?his very attractive but moody captain. A collection of the first half of the mega-

popular webcomic series of the same name, *Check, Please!*: # Hockey is the first in a hilarious and stirring two-volume coming-of-age story about hockey, bros, and trying to find yourself during the best four years of your life.
