Books Descriptions

The purpose of The Entry Level Occupational Therapy Doctorate Capstone: A Framework for The Experience and Project is to provide a step-by-step guide for the development, planning, implementation and dissemination of the entry-level occupational therapy doctoral capstone experience and project. The first entry-level occupational therapy doctorate program was established in 1999, but even now there is a scarcity of occupational therapy resources to guide faculty, prepare students and to socialize mentors to the capstone experience and project. The Entry Level Occupational Therapy Doctorate Capstone by Drs.

Elizabeth Deluliis and Julie Bednarski is the first available resource in the field of occupational therapy devoted to the doctoral capstone. Each chapter provides sample resources and useful documents appropriate for use with occupational therapy doctoral students, faculty, capstone coordinators and site mentors. Included Inside: Templates to develop the MOU, individualized
